Handbook**

Welcome to **Aerials Gymnastics Playschool!**

We hope that this information will help to answer all your questions. Please take the time to meet your child's teachers and feel free to ask questions.

Aerials Gymnastics Playschool is a part of the Aerials Gymnastics Club and operates under the guidance of a board of directors composed of volunteer parents. As a non-profit organization, we value and encourage parental involvement. Parents are invited to actively participate and attend all general meetings to contribute to the success of our playschool community.

Aerials Gymnastics Playschool embraces the concept of “learning through play” and offers a unique program combining playschool activities with gymnastics.

By enriching children's play, they learn cooperation, problem solving, language, mathematics and how to express themselves in a creative and socially acceptable manner. They develop curiosity, self-esteem, strength and coordination, self-directions and values.

Playschool days, times and age requirements

The 2026/2027 year will run from Wednesday September 2nd 2026 - June 18th, 2027.

Meet our Teachers!

Patti Lowe

Playschool Director & Teacher

Hello, I'm Patti Lowe, and I am honored to be the Playschool teacher at Aerials Gymnastics Playschool. With a Bachelor of Education degree from the University of Alberta, I bring over a decade of teaching experience to our playschool community.

I started my journey in education as an Elementary School teacher in 2008, and in the fall of 2021, I happily joined the Aerials family. Here at Aerials, we believe in the power of learning through play. Our commitment is to provide experiences that ignite curiosity, fuel imagination, and encourage creativity in every child.

I am excited to be a part of your child's early learning adventure at Aerials Playschool. If you have any questions or would like to learn more about our program, please feel free to reach out to me!

Jalynn Rook

Playschool Teacher

Hello, I'm Jalynn Rook and I've been a part of the Aerials Playschool family since 2020. With a passion for early childhood education, I earned my Early Learning Childcare Certificate from Northwestern Polytechnic in early 2022.

One of my most treasured aspects of Playschool is watching children explore and learn through dramatic play centers. The creativity and imagination they bring to these spaces are truly inspiring. Moreover, I absolutely adore the stories that the little ones share with us – each one is a unique and delightful adventure.

At Aerials Playschool, we're dedicated to creating a nurturing and engaging environment for your child to learn and grow. I look forward to being a part of your child's educational journey!

Affordability Grant Funding

As a non-profit fully licensed playschool facility, our program is eligible for the Affordability Grant Funding through the Federal-provincial child care agreement. We have signed an Agreement with the Government of Alberta for the Affordability Grant Funding and monthly fees are adjusted accordingly.

Please note: Affordability Grant funding is subject to change or discontinuation at any time based on Government of Alberta policies. Any changes to funding may result in adjustments to parent fees, with notice provided where possible.

Withdraw policy

For students withdrawing from Playschool, one (1) month's written notice must be emailed to our executive director Lindsayk@aerialsgymclub.ca prior to withdrawal. Absences from the program DOES NOT constitute withdrawal.

Drop-off & pick-up

Aerials Gymnastics Playschool is located in the Border Paving Athletic Centre at 9 Tri Leisure Way. The Playschool is in the Qualico Kids Zone, located to your right upon entering the facility.

1. Parents should wait with their children down the hallway in an orderly fashion to avoid disturbing city staff working at the nearby front desk.
2. Parents must drop their children off with the teacher while signing their child in.
3. Please sign your child in using our sign-in sheet.
4. Children will independently, but with teacher guidance, remove all outdoor clothing and footwear in the Playschool boot room and proceed directly to start their class.
5. Doors will open 5 minutes before class begins (8:55 & 12:10) for drop-off and 5 minutes prior to the scheduled pick-up time (11:25 & 2:40).
6. If you might be late (e.g., due to a doctor's appointment or quick trip into the city), please inform the teacher in advance.
7. Always notify the teacher if someone else will be picking up your child or if they are carpooling with another family.
8. Don't forget to sign your child out.
9. Please be careful and mindful in the parking lot.

Nutrition & snacks

Please provide a healthy, nut-free snack for your child. The snack should consist of one or two items, be easy to open, and take no more than 5-10 minutes to eat. We kindly request that you refrain from including sweets, juice boxes, or fruit cups. Please adhere to these guidelines to avoid causing disruptions, as other children will notice when exceptions are made (e.g., juice boxes or brownies).

There will be events and parties where you may be asked to bring special foods or drinks.

Provide water in a clearly labeled water bottle.
Pack all snacks in a lunch container that is clearly labeled with your child's name.

**NOTE: SIGNING IN AND OUT
IS A LICENSING REQUIREMENT**

Gym Time!

Our students spend 45 minutes of each class in the Gymnasium.

Students jump their wiggles out on the equipment and play active games with parachutes, balls, hoops and a variety of other equipment. They develop physical literacy skills on floor, vault, balance beam, bars and trampoline, all under the direct guidance and supervision of our certified coaches.

Stars Program

Students progress through our Recreational gymnastics Stars Program at their own individual pace throughout the school year. As your child learns and achieves new feats, they'll naturally develop a strong sense of accomplishment and self-assurance.

At the end of the year, you will receive a gymnastics report card detailing your child's accomplishments. It will also provide recommendations for recreational classes to consider if you wish to continue their gymnastics journey after playschool ends in June.

To maintain a clean and safe environment for everyone, please follow these expectations:

Safety Awareness:

Participants must be aware of the risks associated with gymnastics and carefully follow instructions from coaches and teachers.

Appropriate Attire:

- Wear comfortable, easy-to-move-in clothing.
- No jeans, glittery clothing, or items with metal buttons, buckles, or zippers.
- No jewelry, headbands, or hair bows.
- No socks or stockings.
- Long hair must be tied back.
- Warts must be taped.

Cleanliness:

Keep the gym tidy, especially in the viewing area, change rooms, boot room, and washrooms. Germs can spread easily as athletes are often barefoot.

The 3 goals of recreational gymnastics

1. Fun!

Our main priority is having FUN! We want every child to love gymnastics, so we focus on making every class fun. We do this through games, songs and imagination & sometimes, outright silliness!

2. Physical Literacy

We believe in the importance of an active lifestyle. We want gymnasts to move and be active in every class so that they gain overall fitness. Increasing strength and flexibility are two key aspects to our program, but we also focus on endurance, agility, power, balance, coordination and spatial awareness.

3. Skill Acquisition

We want gymnasts to learn gymnastics skills. We teach these skills through the use of progressions, meaning that each level in our system builds upon the skills in the previous level. For this reason, we require that a gymnast master all the skills in a level before moving on to the next level.

Food and Drink:

Only water is allowed in the gym.

Gym Access:

Children are not allowed to enter gym spaces before or after class for safety reasons.

Behavior:

Proper conduct is required at all times in the Border Paving Athletic Centre. Profanity or disrespect within the facility or on the property is not allowed.

Class Adjustments:

While every effort is made to include gym time in each class, unforeseen circumstances may require children to have playtime in the classroom.

Apparel

In addition to dressing your child in clothing that allows free movement in the gym, please ensure they have clean, easy-to-put-on shoes for the classroom. Keep in mind that craft projects can sometimes get messy—while we provide paint shirts, they may not cover everything.

Toilet trained

The Playschool operating license prohibits us from accepting children in diapers or pull-ups. Children registered for Playschool must be fully toilet trained & meet age requirements.

School Supplies

Before the first day of school, please ensure your child has the following items:

- 1. Clean indoor shoes** – These should be easy for your child to put on and take off independently.
- 2. Labeled lunch kit and water bottle** – Please clearly label both items with your child's name.
- 3. Extra set of clothing** – Pack an extra set of clothing (including socks) to be kept in your child's backpack in case of spills or accidents.
- 4. Backpack** – Ensure the backpack is large enough to fit their indoor shoes, lunch kit, and water bottle comfortably.

Child discipline policy

Developing self-control and learning appropriate social behavior are essential components of a child's social development. Effective behavior management, or "discipline," is intended to guide children's behavior while preserving and enhancing their self-esteem. At Aerials Gymnastics Playschool, we use a combination of preventive and intervention strategies to support positive behavior.

Preventive strategies are designed to minimize the likelihood of undesirable behavior. These include implementing appropriately planned programs and setting clear, simple rules that children can easily understand and follow.

Intervention strategies are used to address and redirect undesirable behavior when it occurs. These strategies include calming the child, redirecting their focus, and offering reassurance.

Our discipline policies are as follows:

Step 1: The teacher will take proactive measures to support the child in changing their inappropriate behavior through verbal guidance, redirection, or other positive techniques.

Step 2: If the behavior persists, the parent/guardian will be contacted and asked to pick up their child.

If a child is repeatedly disruptive to the extent that it affects the learning or enjoyment of other children, the following steps will be taken:

- Playschool staff will develop an action plan in collaboration with the parents, detailing strategies for improvement and a timeline for progress.
- The action plan will be shared with the child in an age-appropriate manner.
- If disruptive behavior continues, the parent/guardian may be required to assist their child in the classroom and/or gym.
- If the behavior does not improve, the parent/guardian may be asked to withdraw the child from the program.

Discipline at Aerials Gymnastics Playschool will always adhere to the following principles:

- Discipline will not involve physical punishment, confinement, isolation, verbal degradation, or emotional deprivation.
- Disciplinary actions will be reasonable, appropriate, and focused on guiding the child's behavior.
- No child will be denied or threatened with the denial of any basic necessity.
- The use of physical restraint, confinement, or isolation is strictly prohibited.

Our teachers are committed to implementing this discipline plan with care and consistency, always prioritizing the well-being and dignity of every child.

Accident, Illness, and Health Risks

In the event of an incident (defined as an adverse traumatic event) or an accident requiring first aid, children will receive immediate attention. First aid will be administered as needed, and medical assistance will be sought if necessary. Parents/guardians will be notified immediately, and an incident report will be filed for documentation.

When a child exhibits symptoms of an illness that may be contagious, it is crucial to keep them at home.

Please DO NOT bring your child to playschool if they are experiencing any of the following symptoms:

- Vomiting
- Diarrhea
- Fever
- Excessive coughing or runny nose
- Pink eye
- Unexplained rash
- Green mucus
- Any symptoms preventing them from participating comfortably in program activities

If a child becomes ill while at playschool, parents/guardians will be notified to pick them up promptly. The child will wait at the reception desk with administration until their parent/guardian arrives.

Details of the illness will be recorded in an incident report, which will include:

- Child's name
- Date
- Symptoms observed
- Time the parent/guardian was contacted
- Time the child was removed from class
- Location where the child waited
- Date the child returned to class

All reports are filed in the office and reviewed regularly to identify trends or potential issues. Annual incident reports are submitted to the regional child care office for review.

The teacher maintains a daily attendance of each child & the sign in sheets stating the time of arrival and departure of each child.

The medication will be kept in a zip lock bag in sight of adults, but out of reach of children.

If emergency medication is administered, parents will be notified immediately and an incident report will be completed. (Include name, symptoms, time, who administered them). If a child has allergies, there is an allergy form that must be filled out at time of registration. The form & a recent clear photo of child will be posted in the playschool room.

All medication will be stored in a locked container, inaccessible to children. Emergency medication will also be kept out of children's reach but readily available when needed.

Health care will only be provided if:

- Written consent from the child's parent has been obtained, or
- The care is limited to first aid.

Incident reporting

All incidents will be reported immediately to the Executive Director.

Supervision policy

It is explained to the children the appropriate behaviour for classroom & gym and this is reviewed often. Respect of self, others, and property is emphasized. The children are in full view of the teacher at all times and "Nose counts" are taken often. The teacher ensures that the children are engaged in appropriate play and behaviour and if a problem arises, the children are encouraged to explain what has happened, how they are feeling and suggest a solution. The children are encouraged to participate in the projects & crafts, using their imagination and creativity. A walk-about is done often to ensure toys & equipment are safe and maintained. Children are signed in and out by their parent or care giver.

Off site activity and emergency evacuation

Off-site activities occur occasionally. Parents are notified of activity through the use of the app SeeSaw. All parents will be required to have access to the SeeSaw app for communication. Required adult/child ratio is maintained. Portable records are with the teacher at all times. In the event of an emergency evacuation, the teacher will help the children line up and leave the building according to the emergency exit plan. Portable records are with the teacher & roll call is taken. Parents will be informed. Fire drills are discussed and performed.

Communication references

SeeSaw and Email will be used as the primary form of communication. It is your responsibility to make sure Aerials has your current email or email addresses and if you require a change in your email please contact our office and also the Playschool teacher.
